

# ATLANTIC AQUA FARMS

PREMIUM SHELLFISH

## **Mussel Socking Technician Job Ad**

Atlantic Aqua Farms is a growing business. We have been expanding our operation and as such, we have a vacancy for Mussel Sock Technicians. We have a team orientated, hard working group of people who are the reason for our success. We value hard work, flexibility, integrity, and dedication. You will be a team made up of doers, creative minds, and good people.

### Job Responsibilities:

- Arrive on time ready for the shift
- Maintain a clean work area
- Work together with the team
- Place graded live mussels into mussel socks
- Prepare mussel socks for deployment into the water

### Qualifications/Skills

- Reliable
- Flexible
- Honest
- Team Player
- Good Attitude

Tasks are performed indoors and these positions are located at our facilities in Georgetown, Malpeque and Morell. The environment is kept cooler to ensure that the mussels stay alive during socking. Successful candidates will need to dress warm and will be standing for the tasks.

### Salary & Benefits:

- \$19.24 - \$20.28 depending upon experience.
- Extended health and Dental Package

If you are the person for this position, please submit your resume.
