SHAMROCK OYSTERS

SHAMROCK OYSTERS (Virginia, USA) - 100 ct/cs

3" - 3.5" CHOICE - FARMED

Farmed with continuous tumbling just north of the Rappahannock River in Virginia, fresh water blends with strong salinity to produce a consistent oyster with subtle yet layered flavors with consistent plump meat quality.

IRISH POINT (PEI, Canada) - 100 ct/cs

2.5" - 3" COCKTAIL - FARMED

Irish Points are wonderfully shaped off bottom grown oysters with excellent meat quality. Superb salty taste is the result of the cold water and strong tides that run between Hope River and the Gulf of St. Lawrence.

SWEET ISLAND KISS (PEI, Canada) - 100 ct/cs

3" - 3.5" CHOICE - FARMED

A salty punch with a grassy but crisp fresh finish, and a meat yield that is guaranteed to be a crowd favorite.

LUCKY LIMES (PEI, Canada) - 100 ct/cs

3" - 3.5" CHOICE - FARMED

Lucky Limes have a unique salty flavor and a superior shaped shell. Influenced by the algae abundant waters, these distinguished oysters offer a subtle taste variation in their half shell.
